

If you receive the Unemployment Benefit (Arbeitslosengeld) I or II, if you are unemployed in old age, if you are at risk of becoming unemployed, if you receive additional SBG II benefits, or if you are trying to return to work, the Unemployment Advisory Office and the Unemployment Center provide consultancy and support for you.

**The advice is free of charge and voluntary.
Our employees will maintain confidentiality.**

On-site consultancy can be provided in German, English or Spanish. For all other languages please bring an interpreter.

Unemployment Advisory Office

- supports you in developing professional orientation and perspective,
- supports you with legal questions,
- is looking for ways to support your professional integration,
- assists you in developing your personal strategy on the job market,
- informs you about suitable opportunities of obtaining qualification and employment and
- advises you on personal conflict situations.

Unemployment Center

- supports you with the application
- prepares job interviews together with you,
- keeps PC workstations available. Here you can search for a job on the Internet and create your application documents,
- is a place to read the daily newspaper and other information,
- offers you the opportunity to get in touch with other visitors and to start a conversation with them,
- organizes informational events on legal and social issues.

This offer is a cooperation of the Caritasverband Bonn, the Diakonisches Werk Bonn and the region.
